

FRONTLINE LEADER SUMMIT

FALL 2022

The Connected Kit

Description:

Courant Essentials Charger is low profile, weighted to stay put, and wrapped in designer-quality Belgian Linen and durable ABS coating to effortlessly blend in, wherever it's placed. This charger works best in locations where space saving is top of mind - we like it on end tables, office desks, and kitchen countertops/islands. Wirelessly charge your devices with up to 10W wireless output. Qi certified. A durable braided nylon USB C charging cable is included.

Circuit Tech Organizer lets your cable configuration imagination run free—with this neoprene zippered case for cable and accessory storage. Side zippered gusset expands for additional storage, with added mesh detail on the back of the pouch for visibility of contents inside. Includes elastic organizer that securely holds small electronic gadgets, cords and adapters. This elastic organizer features a hook and loop fastener pouch on one side for additional storage. Two magnetic cord wrap organizers are also included.

7x10 Reclaim RPET Refillable Journal features a ribbon page marker to hold your place and has a convenient elastic pen loop on its spine. This notebook has a recycled leather cover and comes with 80 sheets of recycled lined paper measuring 6" x 9". Plus, a partnership with 1% For The Planet ensures that one percent of your purchase is donated toward supporting nonprofit environmental protection groups.
